Birthright: The Browder Civil Rights Legacy
A Conversation with Nationally Acclaimed Artist-Activist, Michelle Browder

Tuesday, November 17, 2026, 6:30 - 8 p.m.
Legal Aid Society of Westchester
150 Grand Street, Suite 100
White Plains, NY

Michelle Browder confronts racial maternal healthcare inequities - both past and present - narrating the stories of enslaved women like Anarcha, Lucy and Betsey who endured torturous medical procedures performed on them without anesthesia or consent.

Inspired by her upbringing to this day, she will share the remarkable civil rights legacy of the Browder family. Learn how Aunt Aurelia Browder faced arrest with Rosa Parks and the important role the family played in helping end segregation on Montgomery, Alabama's buses in the landmark *Browder v. Gayle* case.

A Conversation with:
